DISABILITY HOUSING ACCOMMODATION

THE BENEFITS OF SUPPORTED DISABILITY ACCOMMODATION

At Bila, we understand that people with a disability can have unique living requirements, which often means that living arrangements can be somewhat limiting. Our goal is to maximise independence and find appropriate, well-suited housing for our clients with disabilities.

We believe that every home should perfectly suit your needs and allow you to exercise choice regarding where you live, who you live with, and how you live.

WE'RE HERE FOR YOU!

Our goal is to help individuals find disability accommodation that is safe and feels like a home, giving them the necessary environment to achieve their goals and develop independence

At Bila, we align participants with a wide variety of housing and accommodation options that encourage each individual to be independent.

Some choices in place to ensure accommodation options support those with a disability include:
